Career Summary

Final-year B.Tech Computer Science Engineering student with strong proficiency in Java and solid understanding of object-oriented programming, data structures, and SQL. Hands-on experience in academic and hackathon projects using Java, Python, and web technologies. Infosys Global Hackathon finalist seeking an entry-level software engineering role to contribute to real-world applications.

Technical Skills

Programming Languages: Java , Python , SQL

Core Concepts: Object-Oriented Programming (OOPS), Data Structures & Algorithms, Problem Solving

Web Technologies: HTML, CSS, JavaScript, Node.js

Frameworks & Tools: Git, VS Code, Jupyter Notebook, Flask

Databases: MySQL

Projects

SkillBridge – AI Learning & Career Platform | Hackathon Project

GitHub

- Built and implemented an AI-based learning platform for rural learners; collaborated on problem analysis and solution presentation at the Infosys Global Hackathon.
- Tech Stack: HTML , CSS, JavaScript, Git, Node.js

Bilingual AI Diet Coach

GitHub

- Developed a voice-enabled AI diet assistant supporting real-time interactions in English and Hindi.
- Implemented backend logic using Flask and integrated AI and speech APIs for personalized diet responses.
- Tech Stack: Python, Flask, ChatGPT API, Web Speech API

Airline Management System | Java

- Designed and developed a Java-based application to manage flight schedules, ticket bookings, and passenger records.
- Applied object-oriented programming principles to build modular, maintainable backend logic.
- Tech Stack: Java

Internship

AICTE-Edunet Virtual Internship – Microsoft Azure AI Remote

May 2025 – June 2025

- Worked on the implementation of an AI-based application, focusing on problem analysis and API integration.
- Built a bilingual AI diet assistant with real-time voice interaction using Python and Flask.

Achievements

Second Runner Up – Infosys Global Hackathon 2025 , Hyderabad | August 2025

- Developed and executed an AI-based learning platform as part of a finalist team, recognized among top teams nationally.

TCS CodeVita Season 13 (Round 2) | December 2025

- Ranked 1025 globally among 6000+ participants.

Education

Bachelor of Technology in Computer Science Engineering (CGPA: 8.75)

Sept 2022 – May 2026

- C.V. Raman Global University (CGU) , Bhubaneswar, Odisha, India

Council Of Higher Secondary Education (Secured 73%)

May 2020 – May 2022

- Pran Nath H.S School , Khordha , Odisha, India
